**INSTRUCTIONS:**

- 1. The New Mexico Department of Justice has determined that all distributors who sell roll-your-own tobacco products in New Mexico must report those sales to the New Mexico Department of Justice monthly.**
- 2. Vendors who are not licensed cigarette distributors in New Mexico but who receive Roll Your Own Product from Manufacturers or other vendors and sell it in New Mexico must also report those sales to the New Mexico Department of Justice Monthly.**
- 3. Only brands that are approved by the New Mexico Department of Justice may be sold in New Mexico. Those brands are listed in the NM Department of Justice's directory of compliant tobacco manufacturers and brands - [www.nmag.gov](http://www.nmag.gov). Select Resources/For Individuals/Consumer Guides/Tobacco Settlement/Tobacco Manufacturers' Directory. All brands that are approved by the NM Department of Justice are listed on this directory and only those brands may be sold. This list is search-able by brand and/or manufacturer.**
- 4. The directory describes whether the manufacturer is a Participating Manufacturer or a Non-Participating Manufacturer as that term is defined in the Master Settlement Agreement between the State of New Mexico and certain tobacco companies. Place the reported sales in the appropriate column on this form.**
- 5. When reporting brands and manufacturers' sales in New Mexico, you must provide the number of ounces sold in the previous calendar month. Place the sales in the appropriate category, PM or NPM, based upon the directory.**
- 6. This form is in addition to any reported NPM sales of RYO reported on the NM Taxation & Revenue Department NPM Report Form RPD-41188. This form captures both PM and NPM sales of RYO.**
