RE: *Texas v. New Mexico and Colorado*, No. 141, Original;
Application to Extend Time to File a Motion to Dismiss

Dear Ms. Rapp:

Pursuant to Rule 30.4, Rules of the Supreme Court of the United States, New Mexico hereby files this application for an extension of time within which to file its Motion to Dismiss Texas' Complaint to a date thirty days after the Court issues its Order on the United States Motion For Leave to Intervene. Should the Court grant the United States Motion For Leave to Intervene, New Mexico will at that time file its Motion to Dismiss Texas' Complaint together with its Motion to Dismiss the United States' Complaint in Intervention.

New Mexico asserts this extension of time will serve the interests of judicial efficiency by allowing the Court to consider New Mexico's Motions to Dismiss Texas's Complaint and its Motion to Dismiss the United States' Complaint in Intervention in the same proceeding.

Very truly yours,
