RE: *Texas v. New Mexico and Colorado*, No. 141, Original;
Application to Extend Time to File a Response to Motion to Intervene

Dear Ms. Rapp:

EBID filed a Motion for Leave to Intervene on December 3, 2014. The date for a response would normally be December 15, 2014. Pursuant to Rule 30.4, Rules of the Supreme Court of the United States, New Mexico hereby files this application for an extension of time of forty-five days, or until January 29, 2015, to file a Response to the Motion to Intervene.

New Mexico asserts this extension of time is justified because it will serve the interests of judicial efficiency by allowing the parties more fully to brief the complex issues the Motion raises and provide the Court with additional argument and information for its consideration. Due to the procedural circumstances of the case, the requested extension will not necessarily delay consideration of the motion.

Undersigned counsel of record has contacted the other counsel of record and none oppose this request. Counsel for the Movant has been provided a courtesy notice of this request, but no response has been received.

Very truly yours,
