NPM QUARTERLY ESCROW CERTIFICATION

Certificate of Compliance by Non-Participating Manufacturer Regarding Escrow Payment

GENERAL INFORMATION: What is the definition of a tobacco product manufacturer?

1. Any entity that manufactures cigarettes and/or roll-your-own tobacco anywhere, and that said manufacturer intends to be sold in the United States, including cigarettes to be sold in the United States through an importer;
2. The first purchaser anywhere for resale in the United States of cigarettes manufactured anywhere that the manufacturer does not intend to be sold in the United States; or
3. A successor of any entity described above.

Who is required to file this certificate of compliance?

Any tobacco product manufacturer which:

- (1) sells cigarettes within the state of New Mexico (whether directly or through any distributor, retailer, or similar intermediary) and;
- (2) is not a Participating Manufacturer or Subsequent Participating Manufacturer, as defined in the tobacco Master Settlement Agreement executed on 12/23/98 between 46 U.S. States and territories, including New Mexico, and certain tobacco companies (the MSA).

If you satisfy these requirements, you must file this Certificate of Compliance to report the units of cigarettes manufactured by you and sold in New Mexico and pay the amount calculated into your qualified escrow fund.

What is a Non-Participating Manufacturer?

A Non-Participating Manufacturer is any tobacco product manufacturer who has not signed on to the MSA.

What is a qualified escrow fund?

A non-participating manufacturer must establish a qualified escrow fund. This means

an escrow arrangement with a U.S. federal or U.S. state-chartered financial institution having no affiliation with any tobacco product manufacturer and having assets of at least \$1,000,000,000, where such arrangement (1) requires that the financial institution hold the escrowed funds' principal for the benefit of the State of New Mexico and other "Releasing Parties" as defined in the Master Settlement Agreement and (2) prohibits the non-participating manufacturer from using, accessing, or directing the use of the funds' principal except as consistent with NMSA 1978, Section 6-4-13 (B).

When is this certificate of compliance due?

This certificate of compliance is to be filed quarterly, as follows:

- 1st Quarter (January through March) – due April 30 of that year
- 2nd Quarter (April through June) – due July 30 of that year
- 3rd Quarter (July through September) – due October 30 of that year
- 4th Quarter (October through December) – due January 31 of the next year following the sales year.

When must I make my escrow payment?

You must deposit all escrow payments into your qualified escrow fund quarterly by the due date of your certificate of compliance set forth in the paragraph above. 1st Quarter is due April 30, 2nd Quarter is due July 30, 3rd Quarter is due October 30 and 4th Quarter is due January 31 of the next year following the sales year. Attach a copy of your receipt or other proof of deposit from your financial institution to the signed and notarized Certificate of Compliance. In addition, after you have made your initial deposit into the qualified escrow fund, forward a copy of the escrow agreement as executed.

SPECIFIC INSTRUCTIONS:

Part 1: Manufacturer's Identification: Write your name, address, telephone and fax number.

Part 2: Sales Year 2023: Check the appropriate quarter. 1st Quarter is from January 1, 2023 to March 31, 2023; 2nd Quarter is from April 1, 2023 to June 30, 2023; 3rd Quarter is from July 1, 2023 to September 30, 2023; and 4th Quarter is from October 1, 2023 to December 31, 2023.

NMSA § 6-4-13(A)(2) requires payments to be "adjusted for inflation." NMSA § 6-4-12(A) defines "adjusted for inflation" as "increased in accordance with the formula for inflation adjustment set forth in Exhibit C to the Master Settlement Agreement." Each year this figure increases 3% or the actual inflation rate, whichever is greater. Because the actual inflation rate cannot be determined until the end of 2023, tobacco product manufacturers required to make quarterly escrow payments will be required, in their quarterly escrow payments, to deposit an amount that has been cumulatively adjusted for inflation by 3%. When the adjusted for inflation rate for 2023 has been determined, manufacturers will be advised and then have until April 15, 2024 to deposit any additional money, if necessary, to satisfy the actual adjusted for inflation amount under the Act. The 2023 cumulative adjusted for inflation rate, increased by 3%, is 129.58310%. Multiplying the base escrow deposit amount of \$0.0188482 by the cumulative adjusted for inflation rate of 129.58310% equals the cumulative inflation adjustment amount of \$0.0244241. Adding the base escrow deposit amount \$0.0188482 to the cumulative inflation adjustment amount \$0.0244241 equals \$0.0432723.
